CHURCH**

**WATERFORD,  
VIRGINIA**

Please join us for a Candlelight Vigil remembering the millions of Ukrainian refugees forced to leave their homes and homeland, and those remaining in Ukraine unable to escape or fighting for their freedom.

We will also remember the kindness and generosity of those in Poland, Hungary, Moldova, and other countries providing shelter and support to refugees.

The observance will include music, 60s-style folk singing, prayers, silence, and candle-lighting in support of the millions of innocent victims.

All donations will go to the World Central Kitchen (Jose Andres).

Catoctin Presbyterian Church is welcoming and inclusive to all people.
